

2nd Grade Parent Information

- *Planner needs to be signed nightly **after** all homework has been completed.
- *Students **NEED** to wear tennis shoes everyday. We either have P.E. or recess everyday.
- *We prefer that your child be at school between 8:15 and 8:20. When a child is late or comes in right before the final bell, it is hard for them to jump into the morning routine.
- *Lunch is from 11:30-12:00p.m. You are more than welcome to join your child for lunch. Student lunch tickets may be purchased at the desk down the hall.
- *Be sure to get on the website often to keep up with the happenings in your child's class.
- *RenWeb is a web-based program that we use. You can log on at home and find your child's grades, calendar information, and a lot of other information about our class.
- *We each need a room mom! If you are willing to take on this responsibility, please let us know. It works really well if a couple of you want to work together for this task.
- *Reading and Language Arts curriculum is published by A Beka. Along with the reading program we will be incorporating several novels throughout the year.
- *Our science curriculum is called Purposeful Design Science and is printed through ACSI, through whom we are accredited.
- *Our math curriculum is published by A Beka.
- *Resolution-Chain of Command-If any problems arise, please schedule a time to meet with me. Please do not approach me in the morning before school. I am trying to meet the students and prepare for the day, and the students get rowdy when my attention is taken elsewhere at that time.
- *Journaling-Students will write in a journal at least one time each week.
- *Please read the classroom discipline plan **with** your child, sign it, and return it as soon as possible.

This is going to be a great year! Please let me know if you have any questions or concerns. Feel free to email us at anytime through the school's email system. Go to www.pacacademy.org and then proceed to each individual email account. Thanks for your help!! It wouldn't be possible without your help.
